## Dining Among The Toys

Here's something that might excite you: museum dining. Mint (Moment of Imagination and Nostalgia with Toys), the world's first purpose-built museum for toys and the first in Southeast Asia opened its doors to the public in May 2006. The 5-storey museum showcases more than 50,000 pieces of vintage toys, including rare and unique one-of-a-kind toys.

The Café, Restaurant and Wine Bar in the basement offers a perfect venue for casual and formal dining. The menu rambles all over the world to suit all palates. For the upcoming festive seasons and special occasions, all four floors of the Museum will be open for dining among the toys.

The great thing about the MINT is that it's a serious museum and a very relaxed restaurant, and both fit very well together.

MINT是新加坡，同时也是世界上首家玩具博物馆。馆里展示了愈5万件古董玩具，包括稀有和绝版的玩具。MINT是一座现代派的五层建筑。底层的咖啡馆，餐馆和酒吧提供国际风味和具有本地特色的美食，满足各种口味的需求。在特别的节日里，如圣诞夜和新年除夕，博物馆的四个楼层将全部开放，供来客在玩具的海洋里品尝美食。
